

2022 ASB Awards Demographics Report

All data are current as of May 18, 2022

This report includes the demographic data for the award applicants and award reviewers for the individual and competitive grants managed by the ASB Awards Chairperson (Missy Morrow). The demographic data for the full membership are included for reference.

We look forward to continuing to engage with the membership about continuous improvement of ASB Awards. If you have comments or questions, you can leave anonymous feedback at this link:
