**SPONSOR & EXHIBITOR
OPPORTUNITIES
PACKAGE**

Dear Collaborators and Industry Partners,

It is our pleasure to invite you to support the upcoming 2025 ASB Annual Meeting, which will be held in Pittsburgh, PA from August 13 - 16, 2025. The meeting will be held at the David L. Lawrence Convention Center in the city's Cultural District and will include presentations of interest to researchers and practitioners in the fields of biomechanics, biomedical engineering, kinesiology, orthopaedics and beyond.

The meeting provides an excellent opportunity for companies and organizations involved in these areas to extend their marketing activities and support the meeting through its sponsorship and exhibit program. Advertise in the digital PDF program, be an exhibitor and display your product, or have your company's name attached to one of our social events! Full details can be found in this package. We welcome all our previous supporters who have attended our annual meetings, local meetings, supported our members, are currently or have been corporate partners, and so much more.

We look forward to welcoming you to Pittsburgh in August 2025!

Sincerely,

Kurt Beschorner

2025 ASB Meeting Chair

WHAT IS ASB 2025?

ASB 2025 will bring together biomechanics researchers from the United States and Canada for discussion and exchange of the most cutting-edge knowledge, insights, issues and ideas. ASB stands for the American Society of Biomechanics and ASB 2025 is the society's 48th annual meeting.

ASB meets annually rotating throughout the United States and we're pleased to host the 2025 meeting in Pittsburgh, PA.

ASB attracts researchers from across the country specializing in biomechanics, engineering and kinesiology, orthopaedics and more. We expect over 900+ delegates to be in attendance in 2025.

The **ASB 2025 Annual Meeting** is being organized under the leadership of the Meeting Chair Kurt Beschorner (University of Pittsburgh).

The **Program Committee** is comprised of leading researchers from across the United States to ensure a balanced and thorough program. Led by Program Chair Robin Queen (Virginia Tech) and Program Chair Elect Kim Bigelow (University of Dayton).

The overall **meeting planning process** is organized by members of the ASB 2025 Executive Committee and the team at Podium Conference Specialists.

WHO IS
ORGANIZING
THE MEETING?

WHO ATTENDS THE MEETING?

The meeting draws leading scientists and researchers in all areas of biomechanics research from all over the United States, including biomechanics, engineers and kinesiologists.

Past ASB meetings drew scientists and clinicians from the following areas, to name a few:

- Impact Biomechanics
- Medical Imaging and Analysis
- Occupational Biomechanics and Ergonomics
- Computational Biomechanics
- Orthopaedic & Cardiovascular Biomechanics
- Tissue Engineering and Mechanics
- Sport and Exercise Biomechanics
- Robotics
- Bioengineering and Biomechatronics
- Rehabilitation
- Neuroscience and Motor Control
- Kinesiology
- Neurological, Movement & Musculoskeletal Disorders
- Wearable Technology
- Data Analysis
- Balance and Posture

WHY SPONSOR?

WHY SPONSOR?

Connect with **leading and emerging** researchers, practitioners and clinicians

You will gain exposure, build relationships, develop partnerships and connect with representatives in the fields of biomechanics, engineering and health sciences

Premium **branding & positioning** opportunity

You will reach your target audience and be recognized as a supporter of the meeting and its aims. Set your product, service and brand apart from your competitors - guaranteed visibility on printed materials, advertising, and promotions

Face time with leading scientists

You will have the opportunity to connect with biomechanics, engineers and kinesiologists to build relationships and form valuable partnerships. Meeting registration, marketing opportunities, exhibit booths and networking are among the many benefits associated with sponsoring.
